Chapter 1: How the Website Works

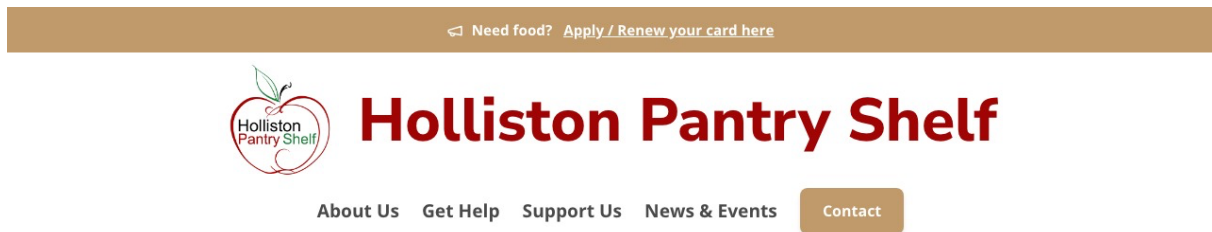

The website is made up of pages, and each page is composed of a stack of sections. You pick which sections to include, in what order, and Contentful (<https://contentful.com>) assembles the page automatically. Most sections support a few options (background color, image position, etc.) that let you vary the visual design without touching code.

Here is how the content types relate to each other:

Chapter 2: Global Elements (Site Settings)

Site Settings is a singleton entry — there is only one, and it controls elements that appear on every page: the announcement banner, the navigation header, and the footer.

The announcement banner and sticky navigation header — controlled via Site Settings.

Announcement Header

The yellow/beige banner that appears at the very top of the page, above the navigation.

Field	Type	Purpose
Is Active	Yes/No	Master on/off switch. Turn off to hide without deleting the entry.
Text	Text (markdown)	The message. Bold, italic, and links are supported.
Link URL	Text	Optional URL shown as a clickable link next to the message.
Link Text	Text	Label for the link. Defaults to "Details" if left blank.
Start Date	Date	Banner will not appear before this date.
End Date	Date	Banner automatically disappears after this date.

Tip: Use Start/End dates for time-sensitive announcements (food drives, holiday closures). Set them up in advance and they appear and disappear automatically.

Navigation Menu

Controls the links shown in the header navigation bar. Each item in Menu Items is a Button / Link entry (see Chapter 5). The style of each button entry controls whether it appears as a plain nav link, or as the gold Contact button.

Note: Any Button / Link with URL #contact automatically becomes the gold Contact button in navigation.

Social Links

Each Social Link entry appears in the footer.

Field	Purpose
Platform Name	Facebook, Instagram, YouTube, etc. The icon is selected automatically.
URL	Full link to the social media profile. Opens in a new tab.

Chapter 3: Page

A Page entry is the container for an entire page on the website. Currently the site has one main page (homepage) and one news listing page.

Field	Purpose
Title	Internal name — not shown on the website.
Slug	The URL path. Use / for the homepage or /news for the news page.
Sections	An ordered list of section entries. Drag to reorder. Add or remove sections here.

Tip: To add a section — open the Page entry, click Add existing entry in the Sections field, select or create a section, drag to position, then publish.

Chapter 4: Page Sections

Each page is built from a stack of sections. Add, remove, and reorder sections directly in the Page entry. The sections below are the available types.

Hero Section

Content type: Section - Hero

The large banner at the top of a page. Typically, the first section on any page. Supports a headline, description, up to two buttons, and various background styles.

Hero with Red Background style — headline, description, and two buttons.

Field	Type	Notes
Headline	Text	Large bold heading. Keep it short and impactful.
Description	Text	One or two sentences below the headline.
Primary Button	Button / Link	Main call to action (e.g., Get Help).
Secondary Button	Button / Link	Optional second action (e.g., Support Us).
Background Style	Dropdown	Controls the section colour/image. See Chapter 6.
Background Image	Image	Only used when Background Style is Image Background.

Tip: The hero is typically the first section on any page.

Text with Image Section

Content type: Section – Text with Image

A two-column section with a block of text on one side and a photo on the other. Great for Regular Content, About Us, mission statements, or any explanatory content.

Our Mission

The Holliston Pantry Shelf is dedicated to ensuring that no one in our community goes hungry. We strive to provide nutritious food and essential items in a welcoming and supportive environment.

Founded in 1973, we rely on the generosity of our Holliston *neighbors*, local businesses, and dedicated volunteers to serve hundreds of families each year.

Our Mission — title, bold lead paragraph, body text and photo side by side.

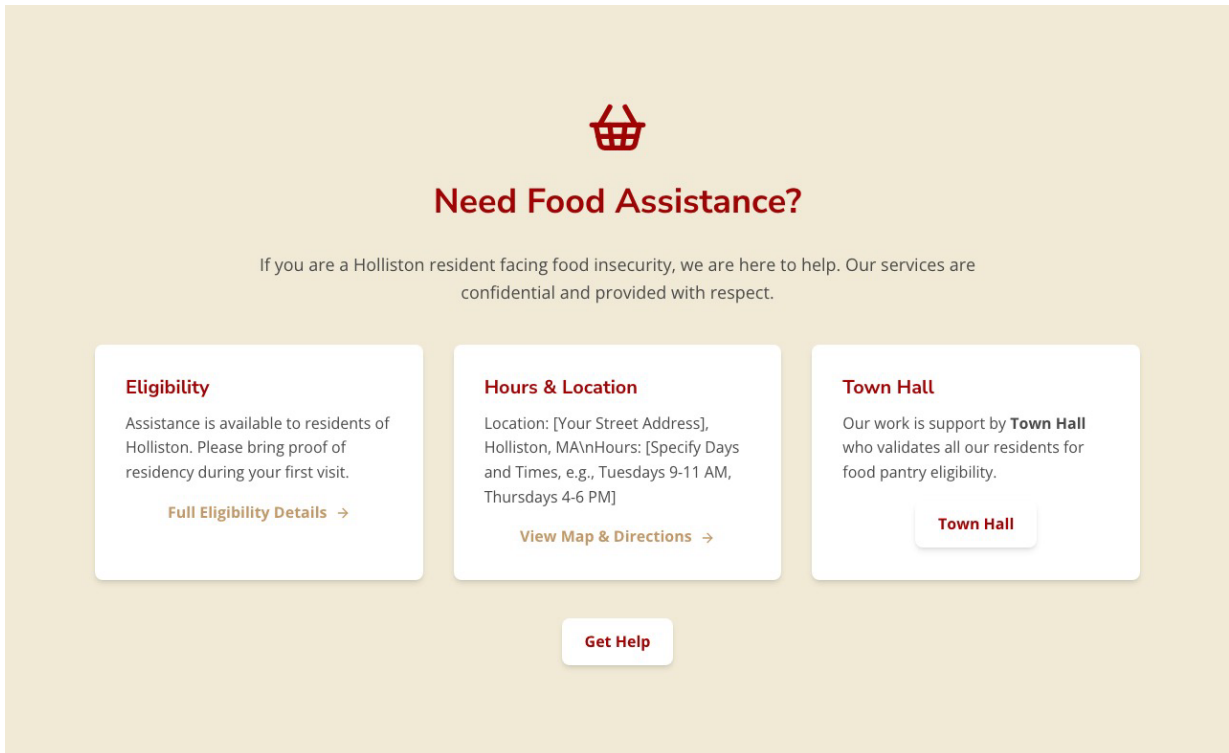

Field	Type	Notes
Title	Text	Section heading (shown in red).
Lead Paragraph	Text	Bold intro sentence displayed above the body text.
Body	Rich Text	Full content. Supports headings, lists, bold, italic, and links.
Image	Image	Photo displayed alongside the text.
Image Position	Dropdown	Left or Right — which side the photo appears on.
Optional Link	Button / Link	Optional CTA below the body text.
Background Style	Dropdown	Default Background or Beige Background.

Tip: Alternate Image Position (Left / Right) across multiple Text with Image sections to create visual rhythm as the visitor scrolls down.

Icon Grid Section

Content type: Section – Icon Grid

A section with an icon and heading at the top, followed by a grid of Cards, and an optional button at the bottom. Use this to present a set of related options, services, or calls to action side by side.

The 'Need Food Assistance?' section features a red shopping basket icon at the top center. Below the icon is the heading 'Need Food Assistance?' in red. A paragraph of text follows: 'If you are a Holliston resident facing food insecurity, we are here to help. Our services are confidential and provided with respect.' Below this text is a grid of three white cards. The first card is titled 'Eligibility' and contains the text 'Assistance is available to residents of Holliston. Please bring proof of residency during your first visit.' with a 'Full Eligibility Details →' button. The second card is titled 'Hours & Location' and contains the text 'Location: [Your Street Address], Holliston, MA\nHours: [Specify Days and Times, e.g., Tuesdays 9-11 AM, Thursdays 4-6 PM]' with a 'View Map & Directions →' button. The third card is titled 'Town Hall' and contains the text 'Our work is support by **Town Hall** who validates all our residents for food pantry eligibility.' with a 'Town Hall' button. At the bottom center of the section is a 'Get Help' button.

Need Food Assistance?

If you are a Holliston resident facing food insecurity, we are here to help. Our services are confidential and provided with respect.

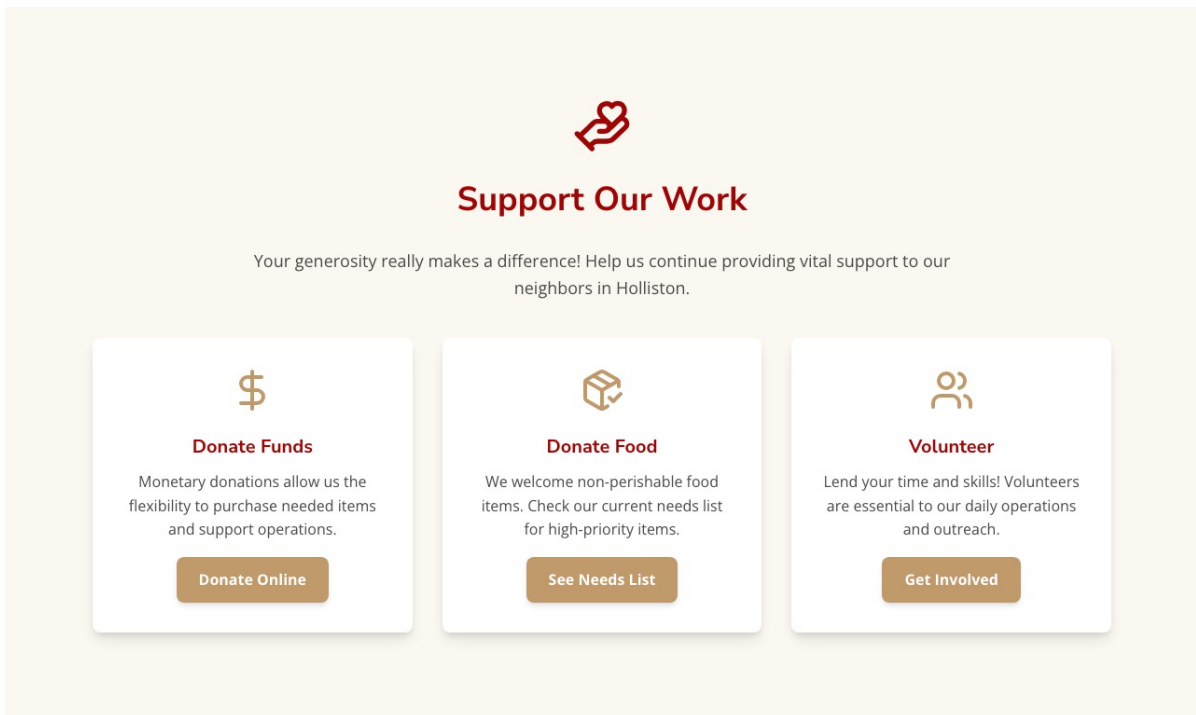

Eligibility
Assistance is available to residents of Holliston. Please bring proof of residency during your first visit.
[Full Eligibility Details →](#)

Hours & Location
Location: [Your Street Address], Holliston, MA\nHours: [Specify Days and Times, e.g., Tuesdays 9-11 AM, Thursdays 4-6 PM]
[View Map & Directions →](#)

Town Hall
Our work is support by **Town Hall** who validates all our residents for food pantry eligibility.
[Town Hall](#)

[Get Help](#)

Need Food Assistance? — icon, heading, three cards and a bottom button.

The 'Support Our Work' section features a red icon of a hand holding a heart at the top center. Below the icon is the heading 'Support Our Work' in red. A paragraph of text follows: 'Your generosity really makes a difference! Help us continue providing vital support to our neighbors in Holliston.' Below this text is a grid of three white cards. The first card is titled 'Donate Funds' and contains the text 'Monetary donations allow us the flexibility to purchase needed items and support operations.' with a 'Donate Online' button. The second card is titled 'Donate Food' and contains the text 'We welcome non-perishable food items. Check our current needs list for high-priority items.' with a 'See Needs List' button. The third card is titled 'Volunteer' and contains the text 'Lend your time and skills! Volunteers are essential to our daily operations and outreach.' with a 'Get Involved' button.

Support Our Work

Your generosity really makes a difference! Help us continue providing vital support to our neighbors in Holliston.

Donate Funds
Monetary donations allow us the flexibility to purchase needed items and support operations.
[Donate Online](#)

Donate Food
We welcome non-perishable food items. Check our current needs list for high-priority items.
[See Needs List](#)

Volunteer
Lend your time and skills! Volunteers are essential to our daily operations and outreach.
[Get Involved](#)

Support Our Work — three cards each with their own call-to-action button.

Field	Type	Notes
Section Icon	Icon name	Icon centered above the title. See Chapter 7 for available names.
Title	Text	Section heading.
Lead Paragraph	Text	Optional intro sentence below the title.
Grid Items	Cards	2-3 Card entries shown in a row. See Card below.
Optional Bottom Button	Button / Link	A button centered below all the cards.
Background Style	Dropdown	Default Background or Beige Background.

Note: Grid layout — 2 cards displays side by side. 3 cards displays three columns across the full width.

Card

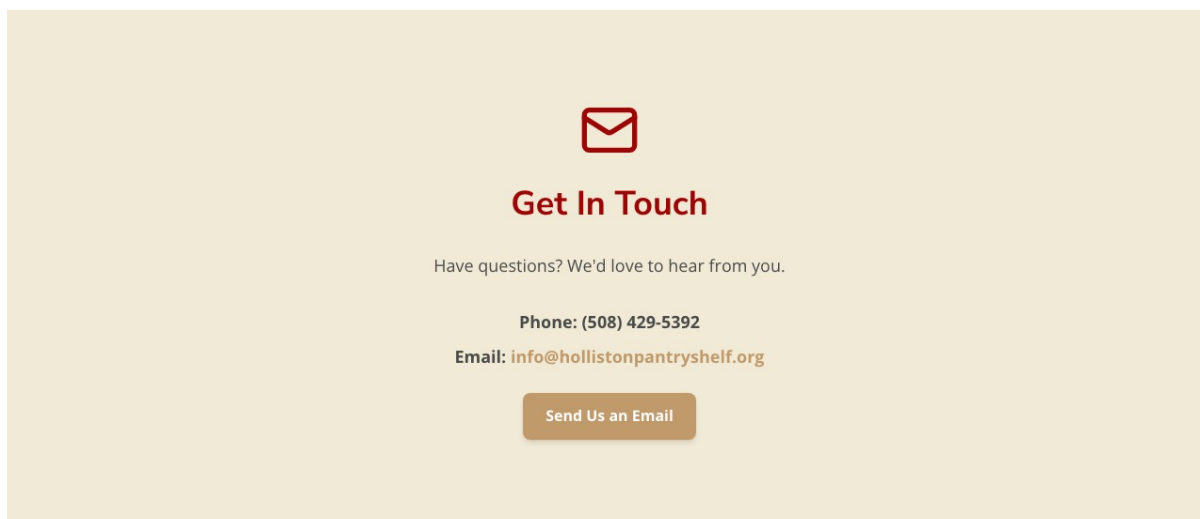

Cards live inside an Icon Grid Section. Each card is a self-contained content block.

Field	Type	Notes
Icon	Icon name	Small icon shown at the top of the card. See Chapter 7.
Title	Text	Card heading (shown in red).
Description	Text (markdown)	Card body. Supports bold, italic, and links.
Optional Button Link	Button / Link	An optional action button at the bottom of the card.

Contact Section

Content type: Section - Contact

Displays the organization's phone number, email address, and a Send Email button. Can use the site-wide contact info from Site Settings, or a custom phone/email for a specific context.

Get In Touch — icon, contact details, and email button.

Field	Type	Notes
Section Icon	Icon name	Icon centered above the title.
Title	Text	Section heading.
Lead Paragraph	Text	One-line intro below the title.
Contact Info Source	Dropdown	Custom uses fields below. Any other pulls from Site Settings.
Custom Phone	Text	Only used when Contact Info Source is Custom.
Custom Email	Text	Only used when Contact Info Source is Custom.
Button	Button / Link	Typically Send Us an Email. URL set to mailto:[email] automatically.
Background Style	Dropdown	Default Background or Beige Background.

Tip: Any Contact Section using Site Settings as its source updates automatically when you change the site-wide phone/email — no need to update individual sections.

News List Section

Content type: Section - News List

Shows a list or grid preview of News Post entries. Used on the /news page.

News & Announcements

Stay up to date with what's happening at the Holliston Pantry Shelf — food drives, volunteer opportunities, new programs, and community stories.

Filter by month: All months ▾

MARCH 25, 2026

Spring Food Drive — Help Us Stock the Shelves!

Our annual Spring Food Drive runs April 1–30. Drop off non-perishable donations at any Holliston fire station or the pantry itself. Every item makes a difference for families in our community.

MARCH 18, 2026

Volunteer Orientation — New Sessions This April

Interested in joining our volunteer team? We're hosting two new orientation sessions in April. No experience needed — just a

News list with month filter, paginated post entries and "Read more" links.

Field	Type	Notes
Title	Text	Section heading.
Lead Paragraph	Text	Intro text below the heading.
Posts	News Posts	Link to all News Post entries you want to appear here.
Display Limit	Number	Posts per page in list mode (default: 10).
Display Style	Dropdown	List — paginated with month filter. Grid — shows 3 most recent as preview cards.
Background Style	Dropdown	Default Background or Beige Background.

*Tip: Use **Grid** display style to show 3 recent posts as a preview on the homepage, and List display style on the dedicated news page.*

News Post

Content type: News Post

Each news item is its own News Post entry. When you publish a post, it automatically gets its own page at /news/[slug].

MARCH 25, 2026

Spring Food Drive — Help Us Stock the Shelves!

By Holliston Pantry Shelf

Our annual Spring Food Drive runs April 1–30. Drop off non-perishable donations at any Holliston fire station or the pantry itself. Every item makes a difference for families in our community.

Spring is here, and so is our annual Spring Food Drive! Throughout the month of April, we are collecting non-perishable food donations to replenish our shelves after a long winter season. Last year, generous community members donated over 3,000 pounds of food — this year, we're hoping to surpass that.

Most-needed items include canned proteins (tuna, chicken, beans), pasta and rice, peanut butter, canned soups, and shelf-stable milk. Please check expiration dates before donating — items must be unexpired and in their original packaging.

Drop-off locations are open April 1–30:

A full news post: date, title, author, summary blockquote, and body.

Field	Type	Notes
Title	Text	The post headline.
Slug	Text	URL identifier — no spaces, use hyphens (e.g., spring-food-drive-2026).
Summary	Text	Short excerpt shown on the list page and as a blockquote at the top of the post.
Publish Date	Date	Displayed on the post. Posts are ordered newest-first in the list.
Author	Text	Displayed below the title (e.g., Holliston Pantry Shelf).
Featured Image	Image	Optional photo shown at the top of the post page.
Body	Rich Text	Full content. Supports headings, lists, bold, italic, links, and embedded images.

Tip: Slug tip — match the headline in lowercase with hyphens. Example: Spring Food Drive 2026 becomes spring-food-drive-2026.

Important: After publishing a new post, also open the News List Section entry, add the post to its Posts field, and publish. The post won't appear in the news listing until you do this.

Chapter 5: Reusable Elements — Button / Link

A shared entry type used in many places: navigation, hero buttons, card buttons, and section CTAs (Call to Action). You can reuse the same Button / Link entry in multiple places or create a new one each time.

Field	Type	Notes
Text Label	Text	The visible button or link text.
URL	Text	Destination. Use #section-id for same-page scroll, or a full URL for external links.
Style	Dropdown	Controls the visual appearance (see table below).
Open in New Tab	Yes/No	Set to Yes for external links (donation pages, Google Maps, etc.).

Style Value	Appearance	Best used for
Primary Button	White with red border and text	Main CTA (Call to Action) on a colored/dark background
Secondary Button	Gold/beige filled	Secondary action alongside a Primary Button
Subtle Link	Plain text with arrow	Inline links in cards or below text blocks

Chapter 6: Background Styles

Most sections have a Background Style field. Use these to create visual separation between sections:

Value	Appearance	Use for
Default Background	Off-white / light cream	Most sections
Beige Background	Warm beige	Alternating sections for visual rhythm
Red Background	Pantry red, white text	Hero sections only
Gray Background	Neutral grey, white text	Hero sections only
Image Background	Full-bleed photo with dark overlay	Hero sections only — requires a Background Image

Chapter 7: Available Icons

Icons are selected by entering the icon name exactly as shown. Used in Icon Grid Sections, Cards, and Contact Sections.

Icon	Icon Name	Description
	ShoppingBasket	Shopping basket
	HandHeart	Hand holding a heart
	Users	Two people silhouette
	Mail	Envelope
	DollarSign	Dollar sign \$
	PackageCheck	Package with checkmark
	Apple	Apple fruit
	Info	Information circle
	Phone	Phone handset

Tip: Contact your administrator if you need additional icons. The full list of icons that can be made available can be found here: <https://lucide.dev/icons/>

Chapter 8: Common Tasks

Step-by-step instructions for the most common content operations.

Add or update an announcement banner

1. Go to Site Settings > Announcement Header.
2. Set Is Active to Yes. Write the Text; add a Link URL and Link Text if needed.
3. Set Start Date and End Date for automatic show/hide.
4. Publish.

Tip: To hide the banner temporarily, set Is Active to No and publish. The content is preserved for re-enabling later.

Publish a new news post

1. Create a new News Post entry. Fill in Title, Slug, Summary, Publish Date, Author, and Body.
2. Publish the News Post entry.
3. Open the News List Section entry on the news page.
4. Add the new post to the Posts field.
5. Publish the News List Section.

Note: The post gets its own URL (/news/[slug]) when published, but won't appear in the listing until added to the News List Section.

Add a new section to a page

1. Create and publish the new section entry.
2. Open the Page entry.
3. Click Add existing entry in the Sections field and select the new section.
4. Drag it to the desired position.
5. Publish the Page.

Change a navigation link

1. Go to Site Settings > Navigation Menu > Menu Items.
2. Open the Button / Link entry you want to change.
3. Update the Text Label or URL, then publish.

Update the site-wide contact phone or email

1. Go to Site Settings.
2. Update the Phone and Email fields and publish.

Tip: Any Contact Section using Site Settings as its source will reflect the new details automatically.

Reorder sections on a page

1. Open the Page entry.
2. In the Sections field, drag the section cards into the desired order.
3. Publish the Page.
